TO WHOM IT MAY CONCERN:

We have received your request for a Material Safety Data Sheet (MSDS) for the following Tyco Adhesives product:

Polyken® 557

The product that you purchase from Tyco Adhesives is not considered a hazardous substance under OSHA's Hazard Communication Standard (29 CFR 1910.1200, as amended on August 24, 1987). To be considered a hazardous substance (requiring an MSDS), a product must have shown statistically significant evidence, based on at least one study conducted in accordance with established principles, that acute or chronic health effects may occur in exposed employees, and/or presents an otherwise significant health hazard.

Your concern for safety is appreciated, and if you still have questions about safety aspects of this product, please let us know at Tyco Adhesives customer service and we will place you in contact with the appropriate Tyco Adhesives specialist. Our customer service number is 1-800-343-7875.

Sincerely,

Tyco Adhesives Research & Development
